WHAT IS A CSA?

Simply put, it is being a shareholder to a farm's anticipated harvest for a whole growing season. The members commit to the membership at the beginning of the season, and the farm guarantees 15-20 weeks of freshly picked vegetables. CSA members always have priority and first pick of a week's harvest.

WHAT IS TO BE GAINED BY THIS RELATIONSHIP?

The farm receives a much-needed cash flow at the beginning of the season when expenses are high and revenue is low. The shareholders are guaranteed access to some of the best tasting and freshest vegetables they can possibly get. While picking up, our members will be able to purchase additional flower bouquets, organic eggs, preserves and baking.

REGISTRATION CONFIRMATION AND PAYMENT

A 20% deposit is required on registration and a cheque for the balance post dated June 1st. If you need an alternative payment arrangement please inquire. The full cost of the Vegetable CSA program is \$576.00, Flower CSA is \$225.00.

CANCELLATION: You can cancel any time with two weeks notice and will receive a full refund for the remaining weeks. Within a week of receiving your form we will confirm your registration by email or text.

EARLY BIRD SPECIAL : Pay in full before May 1 and get one week's share free.

WHAT MIGHT BE IN MY SHARE?

Our CSA is set up as a Farmers Market stand, shareholders use a point system to choose which vegetables they will take home with them.

A weekly share is worth \$ 32.00 that translates to 8 points per weekly visit. And a 10% discount of our regular prices.

Pickups are Wednesdays 2:30 pm to 6:30 pm daylight permitting, starting June 17 ending October 22.

Some examples of what constitutes 1 point are: 1 quart of potatoes, 1 bunch of kale, 1 head of celery, 1 bunch asparagus, 1 or 2 fennels, 1 bunch of carrots etc. The point system allows you some flexibility to double up on your favorites within reason.

A single share will be sufficient for a family of 2-4 who love vegetables and remember you can always add a few extras at a comparable price.

Our Flower CSA is 10 weeks long, starts mid July and the cost is \$245.00. Our flowers are some of the most sought after luxurious blooms that can be found. If you want to subscribe to both please indicate on the application.
